

PLANT IN FALL FOR SPRING COLOR

Fall is an ideal time to plant for Spring Color. Traditionally we have only planted Spring Bulbs. But we can also plant Perennials that are Spring Bloomers. Usually we see things that are beautiful in the spring and then come in to find them and plant them. Doing this you still have to wait a full year until you can enjoy them fully. By planting in the fall you will have beautiful plants next spring. Here is list of some popular spring blooming Perennials:

Ajuga - Bugleweed	Galium - Sweetwoodruff
Arabis - Rockcress	Helenium - Orange Helenium
Arenaria - Sandwort	Helleborus - Christmas Rose
Armeria - Thrift	Iberis - Candytuf
Aster - Alpine Aster	Lewisia
Aubrieta - Rockcress	Myosotis - ForgetMeNot
Aurinia - Alyssum	Paeonia - Peony
